TESTIMONIALS

I have worked with Kyle for a number of months as a Career Coach and am both inspired and impressed with his willingness to learn about himself and to try new strategies to create personal and professional growth. He is articulate, mature, open, driven and very passionate about his art and the industry.

-Trisha Miltimore, Confidence Coach, Biz Developer, Keynote Speaker

Kyle Weaver was a hard working student, constantly striving to improve both his soft and hard skills while laser focused on becoming an excellent CG artist. Now as a grad of CATO, Kyle is a young professional looking to bring his undeniable talents and keen work ethic to the world. I can't recommend Kyle highly enough and with his talent, love for CG art, continued persistence and determination I have no doubt he will make a name for himself in this industry.'

-Sean Ridgway, Animation Department Head, CATO

Kyle consistently worked to achieve a high standard of success in all of his tasks. As a student in my PD class, Kyle always listened attentively in class. His work was strong and thoughtful, and he demonstrated that he was committed to professional self-employment and personal growth.

-Randal Typusiak BA, Director of Student Success, CATO
